PEI is still learning about the Common Core. Recently Governor Branstad made an announcement about local control over the common core. Here [One of the groups took this to the blog.](#) Here [There are school districts across the nation that are rejecting common core standards and state groups actively working against any core implementation.](#) PEI wants to know your experiences so far. We will share these with our legislators, Governor, and the Department of Education.

As opposed to adapting national standards, should Iowa maintain its autonomy?

Answer	0%	100%	Number of Response(s)	Response Ratio
