The Honorable James B. Comey, Jr.  
Director  
Federal Bureau of Investigation  
935 Pennsylvania Avenue, NW  
Washington, D.C. 20535

Dear Attorney General Lynch and Director Comey:

In the summer of 2015, the Senate Judiciary Committee began an inquiry into paid fetal tissue transfers involving Planned Parenthood. The Committee has since obtained and reviewed more than 20,000 pages of information from the organizations involved, and engaged in detailed discussions with the attorneys for those organizations. The investigation has culminated in a Majority Staff Report to the Committee. That report is attached for your review.

The report documents the failure of the Department of Justice, across multiple administrations, to enforce the law that bans the buying or selling of human fetal tissue (42 U.S.C. § 289g-2) with even a single prosecution. It also documents substantial evidence suggesting that the specific entities involved in the recent controversy, and/or individuals employed by those entities, may have violated that law. Moreover, that evidence is contained entirely in those entities' own records, which were voluntarily provided to the Committee and are detailed in the report.

Accordingly, I am referring the paid fetal tissue practices of the following organizations, as outlined in the report, to the FBI and the Department of Justice for investigation and potential prosecution:

- StemExpress, LLC;
- Advanced Bioscience Resources, Inc.;
- Novogenix Laboratories, LLC;
- Planned Parenthood Mar Monte;

- Planned Parenthood Los Angeles;
- Planned Parenthood Northern California; and
- Planned Parenthood of the Pacific Southwest.

In addition, as also described in the attached report, it appears that the Planned Parenthood Federation of America learned that its affiliates engaging in paid fetal tissue programs were not following the policies and procedures it had put in place to ensure compliance with 42 U.S.C. § 289g-2. However, instead of exercising its oversight procedures to bring them into compliance, it contacted the affiliates involved and then altered those oversight procedures in a manner that allowed the affiliates' conduct to continue. While the Committee does not have all the details of what transpired between the Planned Parenthood Federation of America and these affiliates, the facts uncovered raise a reasonable suspicion that these organizations, and/or individuals employed by them, may have engaged in a conspiracy to violate the fetal tissue law (18 U.S.C. § 371). Therefore, I am referring the practices of these organizations, as outlined in the report, to the FBI and the Department of Justice for investigation and potential prosecution for this offense, as well.

Please contact the Committee if you determine that you need to seek access to unredacted copies of any of the records necessary to further your investigation into these matters.

If you have any questions, please contact Jason Foster of my Committee staff at (202) 224-5225. Thank you for your attention to this important matter.

Sincerely,

Charles E. Grassley  
Chairman  
Senate Committee on the Judiciary
