Please mail completed application to:

ACTC c/o Harvest Baptist Church, 614 2nd Ave. S., Fort Dodge, IA 50501

Dear Applicant & Parent/Guardian,

Thank you for your inquiry regarding the Anchor Character Training Center. Our Christian staff strives to help those who are troubled with drugs, alcohol, rebellion, sexual sins, anger and many other sinful practices and character problems. Please read all the application material before making a decision.

The ACTC is a Christ and Bible-centered program; therefore, it is vitally important that both the parents and the teen be willing to **submit to the authority** of God's Word and to the leadership of the Harvest Baptist Church and the Anchor Character Training Center. All teen(s) **wanting to come** to the ACTC **MUST** be willing to come and **spend at the minimum one year in the program**. Every resident must sign the enclosed form that states he/she **will** commit to a minimum of one-year enrollment in the ACTC and obey the rules and policies of the home. This commitment is to the parents, to the Home, and to the Lord.

We believe and practice Biblical standards and discipline. We require our residents to give our staff respect and complete cooperation. We are willing to give our time and expertise to help you. We ask that you in return make every effort to abide by the rules that have been established. It all works together for deliverance, restoration, and rehabilitation. Please read the ACTC guidelines carefully. It is our prayer that all ACTC residents allow God to do a real miracle in their life.

We require all parents to be in a Bible believing church and to regularly attend the weekly services and special meetings of the Church. This would include **Sunday morning, Sunday evening, mid-week services** and **revival meetings**. ***Not attending church services will let us know that you do not want your teen in the ACTC program. If parents change churches, a new Pastor form must be completed and sent to the Director of the ACTC.***

Because we are not equipped to handle special needs young people, we cannot accept anyone diagnosed with **severe** medical or mental problems and/or who may have contagious diseases. A blood test is required for each resident before being accepted. ***Residents must be 12 years old to be able to attend the ACTC program. No one will be accepted into the program who is over the age of seventeen. In very rare cases, at the discretion of the Director and Dean, an exception could be made to this policy.***

After completing the application, please mail or email pages 6, 7, 8, 17-19 to ACTC Director, 614 2nd Avenue South, Fort Dodge, Iowa 50501. (email:4actcsecretary@gmail.com)

Do not make plans to come to the ACTC until we have contacted you. Once the application procedure is complete, we will then determine whether or not we can consider your teen for entrance into our facility. We will contact you and schedule a preliminary meeting with the teen and parents. This preliminary meeting does not guarantee your child's acceptance. It is simply the last stage of the application process.

You will need to come for a whole weekend, and be prepared to stay as a family in a hotel room. The schedule for the weekend usually includes a meeting on Friday with the Dean, then Saturday you will meet with the Director. Also, be prepared to attend Saturday Prayer Meeting and both Sunday morning services of the Harvest Baptist Church. At the meetings you will be counseled in the attempt to determine if your young person would benefit from our program. If accepted to enter into the program, your teen should be prepared to join the other residents after the Sunday morning service.

Please be aware that the entire family will receive biblical counseling. It is imperative that each parent/guardian comes with an open mind and a desire to be transparent for the sake of family healing.

Please do not bring additional children with you. When you bring your teen for the preliminary acceptance counseling session please be sure to only bring the teen being considered for acceptance and spouse. Additional children can potentially hinder our counseling.

Years of results have proven that this program can change the lives of young people who want help and who are truly seeking a closer walk with God. We look forward to serving your family in any way the Lord allows.

Because of Grace,
Pastor Marvin E. Smith III
Founder and Director

History of the Anchor Character Training Center

Dear Parent/Guardian,

The Anchor Character Training Center (ACTC) was birthed in the early days of my ministry. In 1976, I was married to my wife Alice and within two weeks the Lord led us to open our home to a troubled young man in need of help. After three months of ministering to this young man, he left our home, enrolled in Bible College, graduated and later became a professor at an Independent Bible College. In 1993, my family moved to Fort Dodge, IA, to start the Harvest Baptist Church, an Independent, New Testament, Baptist Church. Immediately upon our arrival in Fort Dodge we took a sixteen- year old girl into our home in order to minister to her needs. In 1995, we heard the call of God to open what is now called the Anchor Character Training Center (ACTC). The church planned and built an 18,000 square foot building to house the new ministry which opened in October 1996. The Anchor Character Training Center (ACTC) is presently housed in a 60,000 square foot facility on ten beautiful acres south of Fort Dodge.

The ACTC has been able to touch many hundreds of teens and adults over the years. These young people have come from 45 states and five foreign countries. The majority of our residents have come from Christian homes: the children of Missionaries, Pastors, Christian Schoolteachers and Deacons. Sadly, somewhere along the journey of their lives they were derailed from the path God would have them take. The reason each resident has been sent here varies widely: from drugs, alcohol and sexual sins to anger, rebellion and violence; each one has come with a unique story and need. It is my desire that during your stay with us you will be able to tell your story and be heard. I also desire that every need of your heart be met in this place. There is hope! God can truly do a miraculous work in your life if you will let Him. Our purpose is to see you set free and that you live in liberty for the Lord Jesus Christ.

For Setting the Captives Free,
Marvin E. Smith, III, Pastor

How does the program of the ACTC work?

Please carefully read the following information. We follow this six-step approach to helping gain victory in a young person's life:

1. **Foundation-** every builder knows that a house cannot stand without a proper foundation. The same is true in life: every person needs to lay the right foundation. The Bible says in 1Corinthians 3:11; "For other foundation can no man lay than that is laid, which is Jesus Christ." Without Jesus Christ as the foundation for your life, you will never have stability and success. The only way to have Jesus Christ as your foundation is to trust Him as your Saviour. When you do this, your sins are forgiven and Jesus becomes the "anchor" or foundation that will bring stability and success. Have you ever trusted Jesus as your Saviour? If not, then find a counselor right now and ask them to show you from the Bible how to trust Jesus as your Saviour by asking him into your heart. Once you have laid the right foundation, Jesus Christ, you can go on to the next stage of your training.
2. **Finding the hurt-** chances are you were sent here because of some behavior problems. Anger, profanity, immorality and other improper behavior have manifested themselves in your life and have caused you and your parents to seek our help. Imagine that the "bad" behavior in your life is like "bad" fruit on a tree. The reason the fruit is "bad" is the root under the ground. The reason you have these "bad" behavior patterns is because of the "root of bitterness" (Hebrews 12: 15) under the surface inside your heart. If you will allow God to expose the "root of bitterness" it will lead to helping you learn the next stage in your Christian growth while you are here.
3. **Forgiveness-** learning how to forgive is perhaps one of the most difficult things to do in the Christian life. Many people talk a lot about forgiving the people who have hurt them, but in reality, they are still emotionally imprisoned by the memory of what has been done to them. This is called "head forgiveness". However, the Bible tells us that "head forgiveness" does not bring healing, instead, a person must forgive from the heart (Matthew 18: 32- 35). Through prayer and counseling, if you are willing, God can help you forgive, from the heart, the people who have offended you and hurt you. By forgiving the guilty party, you can then experience the next stage of the Christian life.
4. **Freedom-** by releasing the offenders in your life, you really set yourself free from the emotional bondage that led to the spiritual failures that led you to seek help. Once you are free from these emotional tormentors, you will find great liberty to pursue the next stage of your training.
5. **Following Christ-** scripture makes it clear that we are to deny ourselves, take up our cross and follow the Lord Jesus. Without the life of the Holy Spirit, Who came to live in your spirit on the day you got saved, being lived through you, you will never experience the joy of following the Lord. Through counseling, we will help you learn how to present your body as a vessel through which the Holy Spirit can live His life and enable you to follow the Lord Jesus Christ. As you follow the Lord, you will find a source of strength that will empower you to focus on the final stage of your training here.

6. **Focus on character training-** Once you take care of the “bad” fruit we talked about in stage two, then the life of the Lord Jesus can begin to live through you because you are learning to follow Him. You will find that the body of flesh that used to hate the things of God, will more easily submit to righteous standards. Reading your Bible, prayer, maintaining a schedule and being kind to others is much easier when you have allowed the six stages of the Anchor Character Training Center to have full completion in your life.

Pastor's Reference Form

Dear Pastor,

The Anchor Character Training Center is a home for troubled teens. One of our requirements for considering this young person for admission is your willingness to be personally involved with this family, during this transition their life. We require that parents/guardians attend a Bible believing Church that agrees with our statement of faith, as briefly described below, and that they be regularly involved in weekly services. We ask that you **monitor** church attendance and **counsel** with the family at least once a month. In addition, we ask that the Pastor/Youth Pastor take the time, at least once each month, to call the resident and encourage him/her while at the Training Center. This may seem like a great deal for you to do, but it is a small investment in the future of this young person. If the parents stop attending your church, or if you have helpful information that comes to the surface through your counseling that may give us insight into our dealings with the young person, we ask that you call the Director of the Training Center. **Note:** The pastor is the only one who can call this young person as many times as he wishes, after 30 days.

Because of Grace,

Our Statement of Faith

The Bible is the inspired Word of God, and it is the final authority for our lives. The King James Bible is the preserved and inspired Word of God for the English-speaking people of the world. There is one God and only one, who is self-existent, eternal, and infinite in every way. God is manifest in three persons: the Father, the Son, and the Holy Ghost. God has created everything that exists. We believe in the literal account of the Genesis Creation. Adam's disobedience in eating the fruit of the tree of knowledge of good and evil brought death upon all men. As a result, we are sinners by nature. Jesus Christ the Son of God was born of a virgin and was and is completely without sin. He came into the world to save man from the guilt and condemnation of sin and to destroy the works of Satan. He has done this through His blood for all who will exercise faith in the finished work of Calvary. Repentance is necessary for one to come to Christ. As a result of salvation, one receives forgiveness of sins and a home in heaven. The person of the Holy Spirit comes to dwell within, and salvation is secure and cannot be lost, taken away, nor forfeited. We are saved by God and kept by God. The ordinances of the Church are Baptism and the Lord's Supper. The account of the Virgin birth of Jesus Christ is true. The literal death, burial, resurrection, and the second coming of Jesus Christ are true. There is eternal Heaven and Hell as described in the Word of God. We believe in the pre-millennial coming of Christ. The local church is made up of saved, baptized believers that assemble as the Body of Christ.

By signing below, you are stating that you agree with the above statement of faith and commit to regularly counsel with the parents and stay in close contact with the resident.

APPEARANCE & DRESS CODE- this section applies to both genders

The dress standards of Anchor Character Training Center are based on three Biblical principles for clothing.

I Timothy 2:9-10; Isaiah 47:1-3

- 1. Protection:** Appropriate clothing is designed to protect people from the elements of the weather.
- 2. Modesty:** Clothing should be modest and should not draw attention to the private parts of the body. *Clothing should not be fancy, but should be neat, clean. Dress as such should not detract from study or from one's Christian testimony. Clothing should not attract the eyes of the opposite gender to private parts of your body.*
- 3. Identification:** For instance, uniforms identify that a person is a policeman, soldier, etc. Clothing also identifies whether a person is a male or female. (Deuteronomy 22:5; I Peter 3:4-5; Isaiah 3:16-24) Sloppy dress and appearance can be promote sloppy attitudes. Wherever we go and whatever we do, our appearance should reflect that we are ambassadors for the Lord Jesus Christ; therefore, we require each resident to maintain an appearance that is conducive to good work habits and a good Christian atmosphere.

Appearance effects both attitudes and conduct. When clothing becomes questionable, it will not be allowed.

The Dean and/or Director make the final determination for ALL residents.

PLEASE EXERCISE CAUTION CONCERNING WHAT ITEMS ARE SENT/BROUGHT.

COMMUNICATION

A. **Telephone Calls**

We understand that “home sickness” can defeat our residents early in their stay here at the ACTC; therefore, we do permit **one 3 minute phone call** within the first three days of their teen’s residency. After the first three days has expired, the parents will not be allowed to speak to their child until after the first thirty days. After *thirty* days, individuals will be permitted two calls per month. Teen residents are not allowed to call home unless permission given by Dean’s or ACTC Director. Each year a resident stays in the program, two additional phone calls per month will be permitted. Phone calls are limited to *fifteen* minutes and must be made in the office with a staff present. At times we may require a staff to listen on our speakerphone. All calls have to be made by the parents. Parents may call to talk with staff at any time. Pastors may call to talk to residents at any time except during the resident’s first month of mentorship. During mentorship the Pastor may call the Director or Dean for information regarding their church member that is now a resident. Parents can call between 8:00 a.m. and 4:30 p.m. Tuesday thru Friday. NOTE: No calls after 12:00 PM on Monday & Thursday. Do not call during meal times. (Meal times: 6:45am, 12:30pm, 4:45pm). No phone calls during chapel time. (Chapel times: Wed. 8:00am – 9:10am)

B. **Correspondence**

Residents of the ACTC program may not receive correspondence from anyone other than their pastor/ church and immediate family members. Mail from relatives must be sent to the residents via their parents or legal guardian. The ACTC staff will read all incoming and outgoing letters of residents. If a letter contains any profanity, off-color language, or anything that the staff feels may damage the success of the Lord working in the life of the individual, it will NOT be forwarded to that person. All packages will be checked for restricted items. Residents are not permitted to have money, stamps, or phone cards in their possession.

C. **Personal Visits**

After 30 days: A resident may have a visit once a month only if it is approved first. These visit take place Mon. – Fri. after 12pm. All residents are required to be in school from 8am – noon each day, no exceptions. You must make arrangements for visits two weeks in advance. You will need to fill out a Visiting Form and send it in for approval 2 weeks prior to the visit. **Once your teen is eligible for his/her first visit, we believe it to be more beneficial for your teen if only the immediate guardian/ parent come. If you wish to bring additional family members please seek the approval of your child’s dean and follow the counsel you are given.** A normal visit would include 3 days and 2 nights. During the Holidays and special occasions, the Director must approve a longer visit, if one is desired. Second year resident’s may be allowed more than one visit per month. If resident has high demerits or is on restriction, then they will not be allowed to leave the ACTC campus. Also, a resident that is defiant before parents arrive will not be allowed to leave the campus. Please note: Visits are subject to approval by your Dean and are based on the continual progress of the resident. Request forms must be filled out fourteen days in advance and approved by your Dean. In the case of emergencies or a change of dates, contact the Dean. When taking your teen for visits you must stay in a hotel within the Fort Dodge city limits. **Overnight stays in homes are strictly prohibited.** This policy applies to residents in the Fort Dodge area as well: Parents must stay in a hotel for overnight visits.

HEALTH

Major dental and/or personal health care needs should be completed prior to the individual’s stay. We are not able to provide **medical care** at the ACTC. Usually your family’s insurance health plan will be accepted at the local medical facilities here at Fort Dodge; however, it would be important to confirm this prior to arrival. Although residents should have money to buy personal health items, we will assist with basic cold and flu items, aspirin, etc. as our finances permit. Parents will be required to call and make arrangements for all doctors’ visits.

Memorization Principles and Procedures

We believe the solutions to ALL of mankind's problems are found in the Word of God (Bible). A tried and proven method of spiritual enlightenment is in memorization, meditation, and application of the Scriptures.

MEMORIZATION

- i. Memorize the passage and ask the Holy Spirit to teach you the meaning.
- ii. After memorizing your assigned passage, recite it to your leader.
NOTE: IT MUST BE WORD PERFECT.
- iii. Within 24 hours of reciting the Scripture, write a one-page report giving your understanding of what the verses mean to you and how you are going to apply them to your personal life.

REVIEW THE SCRIPTURE you have memorized every day for at least 30 days.

MEDITATION

- iv. During the day, think on the Scripture you have memorized. This is meditation on the Word with the intent of applying it to your life.

APPLICATION

- v. We encourage you to establish good habits of memorization, meditation, and application of God's Word for when you leave the ACTC. APPLY the Scripture(s) you have memorized and meditated on when opportunity presents itself.
- vi. Psalms 19:11 says, "Thy Word have I hid in my heart, that I might not sin against thee."
We recommend that at least one hour a day be devoted to Bible memorization.

Graduation & Termination

Upon satisfactory completing the designated ACTC program, a resident will graduate in a special church service.

- 1) These graduation services are held on Sunday evening for all our staff and church members to see. Parents are all encouraged to be at the program.
- 2) If a Resident leaves prior to the agreed time, they will not graduate. Instead, the residency will be considered terminated. In this event we will not accept responsibility for clothing or personal items that remain in our possession; in addition, all money in the resident's account will be considered as a gift to the ACTC.
- 3) Leaving the ACTC and church property without permission, smoking, drinking, or use of drugs will also cause **all paces to become the property and considered a gift to the ACTC.**
- 4) The ACTC will not be responsible to pay for resident's transportation home. If the resident refuses to remain in the program or is asked to leave, resident must leave the facility as soon as possible at parent's expense.

Discipline at the Anchor Character Training Center

Demerit Structure

The demerit system is used as a communication tool by helping keep residents and parents informed the daily progress/struggles within the Residents life here at the Home. This system aids in character building by exposing and correcting improper behavior. Demerits are accumulated for three months, which is one quarter. Although each resident begins a new quarter with a 60% reduction in demerits, administration may otherwise determine that a portion of those accumulated demerits be rolled over into the next quarter. This depends on repeated infractions and the general attitude of the resident. Increasing penalties are assigned when a resident accumulates higher levels of demerits. In addition to demerits, other types of discipline may be used as needed. If a resident does not respond to the penalties by changing behavior then the Director and Dean may choose to restart the resident's year.

11 Demerits – Loss of Privileges

21 Demerits – Restriction policy begins which includes approval from staff for all things.

The goal is to build character and teach the resident that there are consequences in life for our actions. The assigned deterrents are catalysts to help residents see that there needs to be changes made.

Demerit Penalties

0-10	OK			
11-20	Write Daily Proverb	smaller portions	* loss of privileges (this will continue if demerits escalate)	
21-30	Write Daily Proverbs	smaller portions	*Write Memorization
